

Be Everything  
(Regi Stone, Christy Sutherland)  
d.o.c. 4-7-09

Be my breath  
Be my voice  
Be my hands and be my feet

Be my heart  
Be my dreams  
Lord, be everything to me

Chorus:  
I can't do this on my own  
I lay my life before Your throne  
I will follow You wherever You lead  
And if I lose sight of the path  
Be the road that takes me back  
Lord, be everything to me

Be my will  
Be my way  
Be my faith and be my peace

Be my rock  
Be my strength  
Lord, be everything to me

Chorus
