

You Can Get There from Here
(Christy Sutherland & Kyle Matthews)
D.O.C. 6/20/07

You've been defeated
Another round
And it's not the first time
You've fallen down
Life didn't turn out
Like you hoped it would
But that doesn't mean
It won't be used for good
There is a Father, making all things new
He holds the future and there's a place for you

*You can get there from here
Don't give up on the dream
Lost miles lost years
Can all be redeemed
There's a better place
A brighter day
Just beyond the tears
God will make a way
You can get there from here*

You see a stumble
God sees a dance
You see the chaos
He sees the chance
You see an ending
God sees a brand new start
You see mistakes
He sees your heart
But you'll never make it out there on your own
Follow the Shepherd, He knows the way home
{Chorus}
