

If Jesus Had To Pray
(Malone)

If Jesus had to pray
Then what about me

If Jesus had to pray
Oh, what about me
He had to fall down on His knees
Crying, Oh, Father, help me (if you) please
Mmmm, if Jesus had to pray
Then what about me

In the garden Jesus prayed
While the night was falling fast
He said, "Father, if you will
Oh, let this bitter cup be passed
But if not, continue
Let my will be lost in Thine
You know if Jesus had to pray
Then what about me

In the garden, on the ground
I can hear my Savior groan
His followers, they got weak
And all fell fast asleep
But Jesus spent the night in prayer
Oh, can't you see Him lying there
Mmmm, if Jesus, if Jesus, if Jesus had to pray
Then what about poor me
