

Show The Love
(Christy Sutherland, Regi Stone)
7/7/11

He's a father to the fatherless
He rescues those defeated
He is justice to the helpless soul
Defending those mistreated
And if we are His body, are we living His life?
In a world that is hurting and dying tonight?

Chorus:
Show the love
Be the one
To put feet to the Promise
Taking hope where there's none
Show the love
Lift them up
In the hands of the Father
There is more than enough
Show the love

He's the healer of a wounded heart
He comforts those rejected
He is Savior to the one who's lost
Accepting those neglected
And if we are His body, are we living His life?
In a world that is hurting and dying tonight?

Chorus

Bridge:
A single cup of water
Changes everything
What we do for one another
We do for the King

Chorus
